"Hold on to the Moment"

Single file and yet together,
We have shared our greatest days.
And we carry common memories
In different ways.
Though we don't know where we're going,
We will cherish where we've been.

I want to cry.
I want to shout . . .
Want to let this feeling out.

Hold on to the moment.
Let the feelings show.
Hold on to the moment.
Never let it go.

I can picture us together
With my arms around my friends.
Just let me hold on to this moment,
Before it ends.
There was laughter. There were tears,
Through the dozen golden years.

The French classes this year are a very hard working bunch of students. Not only are they learning the language of French, they are also learning the lifestyles of the French people.

What are you talking about?

It looks like they are paying attention, but we know the truth.

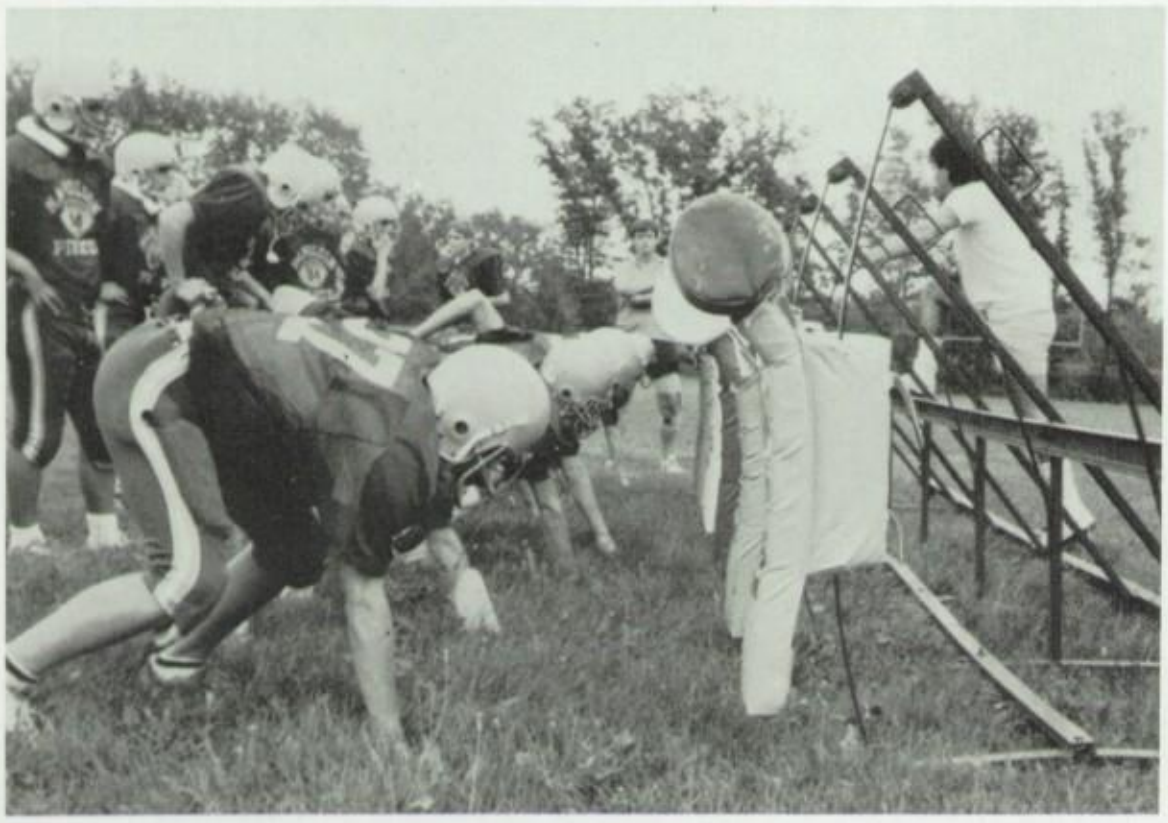
This year's varsity football team worked hard game in and game out, and gave 110% every time they hit the field. This year's team only fielded 6 starting seniors, and the rest were juniors and sophomores. Next year's team will have many returning faces.

J.V. Football

The fine efforts of tri-captains Terry Rosberg, Casey Avriett, and Rob McFate, along with Sophomores Doug Baird, Bart Childers, Tim LeBlanc, Bob Miller, Bill Osborn, Troy Peterson, Mike Rade, Darin Snider; Freshmen Chad Barrus, Jim Dachoda, Skip Hinkle, Chad Hamlin, Chris Hoard, Tom Konopka, Tim Miller, Chad Serianni, Shawn Strzalko; with coaching by Craig Dreyer and Todd Anderson came up with a 4-4 season. Good job guys! Coach Dreyer — N.H.S. will miss you!



J.V. Cheerleaders

The 1985 fall J.V. Cheerleading squad put forth a tremendous effort in trying to promote school spirit and supporting the fall athletic teams. Coached by Linda Vitale, the squad consisted of Jenni Hanson, Stacy Huyghebart, Glory Hyde, Nicki Lyons, JeanAnne Maine, Hillary Miller and Angie Walters. The squad worked hard throughout the season and deserves to be commended for their efforts. Nice job cheerleaders!

This year's Men's Cross Country team was very different and unique in comparison to past teams. They had a dual meet record of 5-3, finished third in the Conference, and were the champions of the Union City Invitational. Though they couldn't claim the number of physical victories as other teams, they achieved many personal goals and in doing so grew into one of the closest knit teams ever. Good Job Cross Country. Keep on running.

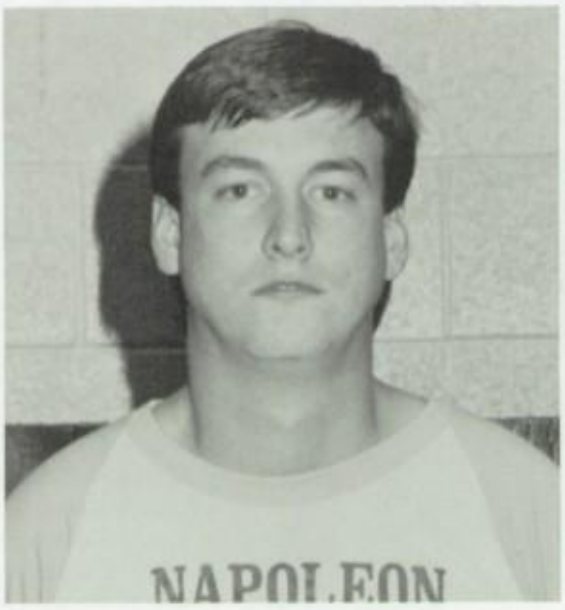
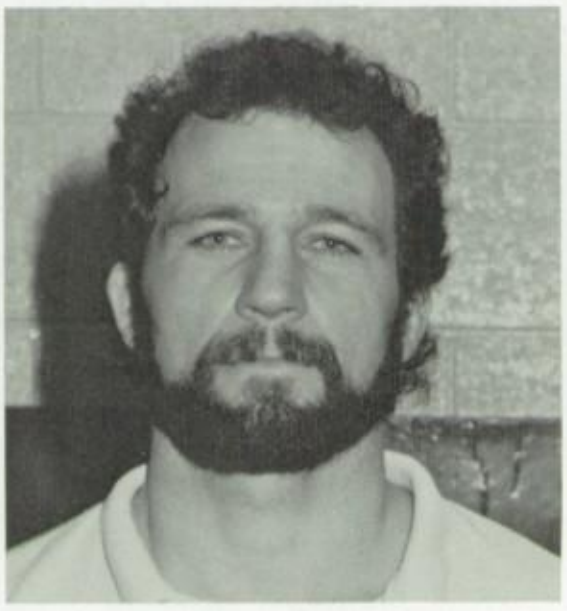
Bad To The Bone





This year's wrestling team did a terrific job! Each and every wrestler put forth much effort in succeeding. Because all of the wrestlers were Juniors, Sophomores or Freshmen, there should be many returning faces to make next year's team as great.

Bunker and Niedzwiecki talk things over.

The 1986 Men's Varsity Track team won the Cascades Conference "blue" division for the second year in a row, with a total team effort in all events. Individual champions were Scott Trujillo in the high jump and high hurdles, Kris Kegerreis in the 100, 200, and 400, Mike Voll in the discus, and Rob Hanson in the 300 low hurdles.

The outlook for next year's team is very positive with many familiar faces returning.

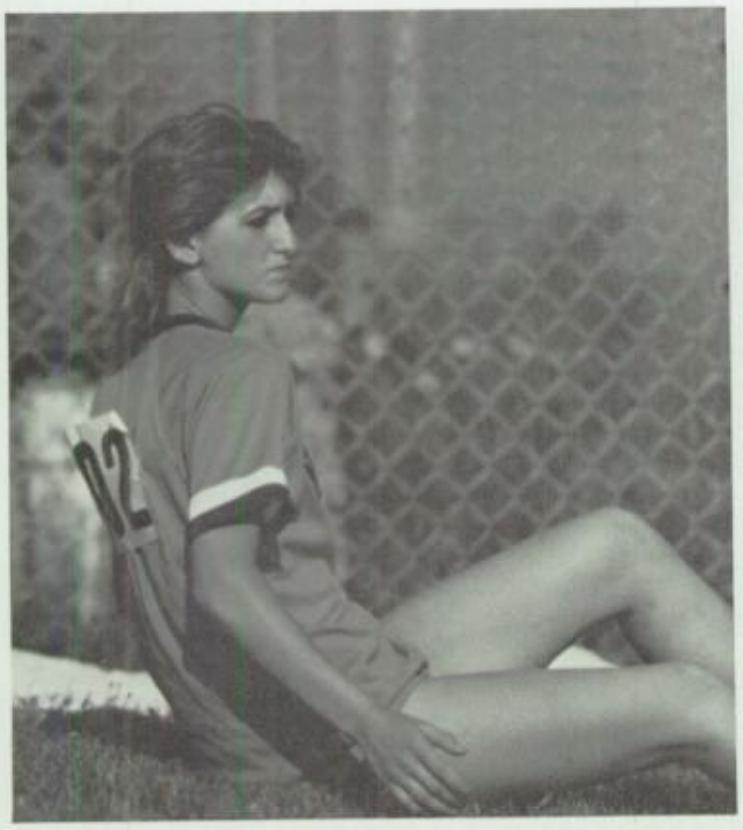
TRACK

WATCH ME



The 1986 Women's Track teram had a very improved season. With the outstanding coaching of Gary Childs the Pirate ladies had a conference record of 4-2, and finished 3rd in the conference meet with a tie with Hanover Horton.

As a first year girls' coach, Mr. Childs with the help of assistnat coach Jeff Collier, had four girls qualify for state. These were Julie Daniels, Bev Landers, Amber Bietelschies, and Kris Jennings, Julie and Kris set new school records.

The team captains were Senior Amber Bietelschies, Junior Kim Watters, and Junior Amy Wamsley.

There were many improvements throughout the season, and may personal bests. It was a great season and a "fun one"!

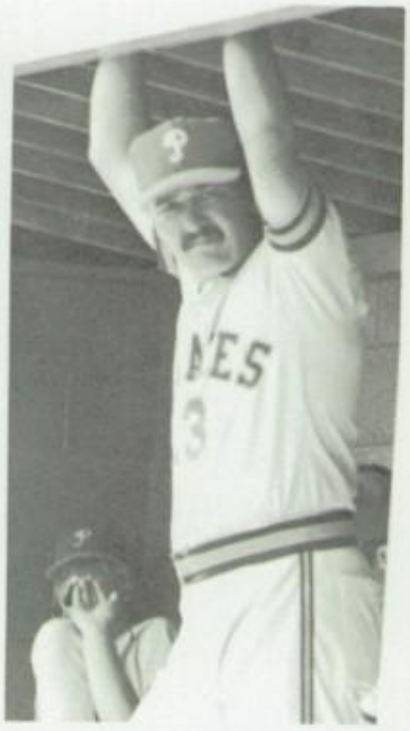
Women's Track



Baseball '86

This year's Pirate crew was one of the strongest ever to come through Napoleon High School. The Pirates started their season off with a 20 game winning streak, and were ranked 2nd in the state. The Pirates had 42 homeruns as a team. Craig Carpenter had 17, Kevin Frey had 9, and Troy Miller had 8. All three were named All-Conference.

The Pirates fell into a slump and ended their season with a 23-5 over-all record. Two critical upsets at the end of the season killed the hopes of a Cascade Conference Championship, but 23 games aren't won by mistake.

What do you think Bob, should we get him out of there? Well, no, we'll give him 10 more runs.

School Day Memories

1985

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years past.
Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.
We hope friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-bye
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of school years from day one
Don't think of school as ending —
Think a new life has begun.

Tribute To A Friend

He will live in the hearts of the friends he made
and be known always for the foundation he laid,
Because Goodness and Fairness never die —
they go shining on like sun in the sky,
Just as Honor and Truth endure forever,
Death is powerless to destroy or to sever —
So his gallant soul has taken flight
into a land where there is no night,
He is not dead, he has only gone on
to a brighter, more wonderful dawn.

We, as the 1985-86 yearbook editors have put forth our best possible effort to produce a yearbook of which you, as well as each member of the Productions class, can be proud. We hope that within this book you will find many treasured memories captured in photographs taken throughout this year.

We would like to thank the Productions class for dedicating your time and effort to producing what we feel is the best yearbook ever. We'd also like to commend you for overcoming the many problems placed in our path throughout the course of the year.

To the graduating class of 1986, we wish you the very best of luck in all for which you strive, and may you have a happy, successful and safe life.

Deanna Stassines —
